

welfareplus[®] Rodent Enrichment Solutions

NESTING ENRICHMENT PRODUCT

Sizzle-Nest

A high-quality, dust-free nesting material that is suitable for mice or rats.

PRODUCT DESCRIPTION

Sizzle-Nest offers an ideal solution as a soft nesting material, providing comfort and warmth. Crafted from unbleached and uncoated kraft paper, Sizzle-Nest is meticulously cut and folded to create a superior nesting substrate. This high-quality, dust-free material is light enough for animals to easily manipulate and transport to their preferred nesting spots.

PRODUCT FEATURES AND BENEFITS

- **High-Quality, Dust-Free Material:** Promotes a cleaner and healthier environment for your animals, reducing respiratory irritations often associated with dusty bedding.
- **Aids in Thermoregulation (Particularly for Pups):**
The unique design traps warm air, helping animals maintain optimal body temperature, which is crucial for the survival and well-being of young pups.
- **Enhances Cage Environment:** Provides an enriching and stimulating environment, encouraging natural nesting behaviors and reducing stress in caged or penned animals.
- **Retains Shape While Providing Comfort:** Offers a durable yet soft nesting solution that holds its form, allowing animals to create stable and comfortable nests for rest and shelter.
- **Certified GLP compliant**
- **Suitable for all cage types for mice and rats**
